

Child Care Counselor

Jackson Campus

General Job Summary: The primary responsibility of the Child Care Counselor is to provide program services to intervene with children & youths being served in the group home. The position's job responsibilities include implementing direct treatment services through use of the agency's model of care, providing residential care services, and working with adolescents, families, volunteers, and community representatives in the home and community settings. The Child Care Counselor reports directly to the Care Manager.

Essential Functions: Implement direct treatment services according to an individualized service plan and consistent with the agency's model of care. Teach youth curriculum of skills, including social, self-help, independent living and academic skills. Develop, to the highest degree possible, a normalized family-style home environment providing counseling, concern, direction, assistance, and support for the youth in care. Develop and participate in creative activities for youths and staff. Model appropriate moral, ethical and professional values for youths, colleagues, and the community-at-large. Regularly seek consultation from appropriate supervisory staff, provide detailed information regarding significant issues affecting youth in care, and accept and implement feedback. Establish and maintain positive and effective relationships with all program consumers including but not limited to, youths, parents/family, school personnel, neighbors, referral agencies, administrators, etc. Engage in daily documentation of youth behaviors and activities into the KaleidaCare System. Perform daily medication counts and administer medication to youth per orders/MAR. Perform daily operational functions such as facility cleaning(interior & exterior) and maintenance, cooking, shopping, supply inventory, manage financial/budget tasks, and other rotating assignments. Actively monitor all aspects of the physical property. Maintain all property in clean, safe attractive manner. Comply with guidelines for property maintenance and management. Drive agency vehicles for purpose of transporting youths and operating all facets of the treatment program. Transport youth for routine home activities, court appointments, medical appointments, family visits, other required appointments, and emergency situations. Provide assistance and support to other program staff in their job responsibilities. Work a flexible work schedule each month providing consecutive 24-hour per day or other periods of coverage of the home as scheduled and on an as-needed or emergency basis. Provide primary and supplemental coverage, as scheduled by administrators, for homes other than those primarily assigned. Attend, and take advantage of, regularly scheduled in-service and specially scheduled training sessions. Maintain required certifications and re-certification for job by participating in available training. Perform other related duties as assigned by the Care Manager.
